BRIGGS[®]
Enameled Steel Products

Suggested List Price Guide
2010 - 2011

SINKS

BATHTUBS

LAVATORIES

Stronger.
Warmer.
Cleaner.
Quieter.

UltraCAST™ tubs are *formed steel*. Thickest in the industry, but lighter to handle and install. More rigidity protects from transit damage.

UltraCAST™ is porcelain enamel, reinforced with high performance polymer *fire-coated to steel*, for a glossier, easy cleaning, chip-resistant surface that retains water heat longer.

UltraCAST™ tubs have a new solid, *injection-molded, insulative backing* for sound-deadening during showers.

Find out more about UltraCAST™, the value alternative from Briggs.

Suggested List Price Guide

TERMS AND CONDITIONS

SALES POLICY

Products will be sold in those areas and to those Buyers as Briggs® shall specify from time-to-time in Area Price Bulletins.

SUGGESTED CONSUMER LIST PRICE

The possession of this Price List by anyone is not to be construed as an offer to sell at any price, any of the goods listed herein. All prices herein established supersede all previous prices and are in effect as of the date of publication.

PRICES ARE SUBJECT TO CHANGE WITHOUT NOTICE

The right is reserved to discontinue without notice the sales of any listed products. Suggested consumer prices are published solely as a guide to the trade in keeping with past trade practice. They are not intended to reflect, or to be represented as, the prices at which products by Briggs are actually, usually or customarily being sold to consumers in any market area. Each Seller must determine prices to consumers in accordance with his or her individual business judgement.

PRICE INCREASE

All orders accepted for immediate shipment prior to the effective date of the price increase will be invoiced at the price in effect at the time the order was placed.

RECEPTION OF ORDERS

All orders must be received at our corporate office in Goose Creek, South Carolina. The official address is 300 Eagle Road, Goose Creek, SC 29445. Orders can be sent as well by electronic transfer methods according to our standard operational methods (EDI-Email-Fax).

TITLE

Title passes to Buyer upon delivery of goods by Briggs to the carrier at the shipping point, unless shipment is made in trucks owned or leased by Briggs.

FREIGHT

Freight prepaid as established.

MERCHANDISE RETURNED TO FACTORY OR WAREHOUSE

Merchandise may not be returned except with written approval from Briggs. If approved, credit for such return will be issued on the basis of the price at which the goods were originally invoiced, less a minimum re-stocking charge of no less than 20% or the actual cost of reconditioning and handling as determined by Briggs, and return freight will be at the Buyer's expense. Returns will be accepted for a period of two years from date of purchase. Discontinued items can not be returned.

SPECIAL MODIFICATIONS

Orders for products requiring special modifications will not be subject to change or cancellation after production has been scheduled. Such products will not be considered for return.

STANDARDS

Products by Briggs are designed and manufactured to comply with the requirements of CSA, ASME/ANSI and IAPMO where applicable.

SHIPPING WEIGHTS/DIMENSIONS

In our efforts to continually improve our products, Briggs will occasionally make design changes. We reserve the right to ship newly designed products to fill any order unless we agree in writing to do otherwise.

CLAIMS

All ware is inspected, checked and packed by experienced personnel. Precautions are taken against breakage or other damage in transit. Our responsibility ceases upon delivery of material in good order to the carrier. All claims for loss or damage in transit must be filed with the carrier by Buyer. Briggs will give all reasonable assistance to Buyer in collecting a loss or damaged claim from the carrier by furnishing duplicate invoices, affidavits showing count when loaded, method of loading, etc. Buyer should, in all cases, immediately report loss and/or damage to carrier and request inspection in case of damage. On a loss claim, Buyer should secure all pertinent information and include it with the signed exception report.

CONSENT TO PERSONAL JURISDICTION AND VENUE—GOVERNING LAW—WAIVER OF JURY TO TRIAL

The Buyer hereby agrees that any action brought by the Buyer or by Briggs arising out of the sale or use of the products referred to in the Price List shall be governed and determined in accordance with the statutory and decisional law of the State of South Carolina; and the Buyer hereby agrees that any controversy that may arise out of the sale or use of the products referred to in the Price List would involve complicated and difficult factual and legal issues and that, therefore, any action brought by Briggs against the Buyer or brought by the Buyer, alone or in combination with others, against Briggs, whether arising out of sale or use of the products referred to in the Price List or otherwise, shall be determined by a Judge sitting without a jury.

WARRANTY

LIMITED LIFETIME WARRANTY

ONE-YEAR STEEL WARRANTY

Briggs warrants its steel tubs, sinks and lavatories to be free from defects in material and workmanship for a period of one (1) year from the date of installation.

**TEN-YEAR WARRANTY
ULTRACAST™ AND ULTRATUFF®**

Briggs warrants its UltraCAST™ and UltraTUFF® steel products to be free from defects in material and workmanship for a period of ten (10) years from the date of installation.

Briggs warrants the slip resistant surface of the tub to be free from defects in material and workmanship, for a period of one (1) year from the date of installation. The Company's obligations under the warranties set forth above shall be to replace any products of its manufacture which are defective as stated above, or at the Company's option, to refund the purchase price of such products or to repair such products. The warranty set forth above is in lieu of any other warranty, express or implied, including merchantability, fitness for a particular purpose and warranties arising from course of dealing or uses of trade, and shall run to the original purchaser only.

EXCLUSIONS: The warranties set forth above do not cover installation or any other labor charges and do not apply to products, which have been damaged as a result of any accident, abuse or improper installation, including the removal of the foam support pad, failure to install a full length support stringer, maintenance or modification of original plumbing product or component thereof. Warranty does not cover the removal or installation of tub surround, faucet, drains or any other plumbing hardware, etc. If tub load exceeds ANSI/ASME A 112.19.4M, standard warranty may be void. Similarly, the warranties above do not cover the products of another manufacturer. Finally, Briggs will not be responsible or liable for any failure or damage to this plumbing product or product component thereof caused by the use of abrasive or acidic cleaners.

HOW TO OBTAIN WARRANTY SERVICE FOR ONE-YEAR STEEL OR TEN-YEAR ULTRACAST™ AND ULTRATUFF® WARRANTIES

The purchaser should contact the dealer or builder from whom the product was purchased. Additional correspondence should be directed to Briggs Plumbing Products, Inc., 5040 National Drive, Knoxville, Tennessee 37914; or visit www.briggsindustries.com. Any shipping charges associated with warranty services must be prepaid by the consumer. In all cases, proof of purchase will be required along with photos.

NOTE: Some states do not allow limitations on an implied warranty, and some states do not allow exclusions or limitations regarding incidental or consequential damages, so the above limitations may not apply to you. This warranty gives you specific legal rights, and you may have other rights that vary from state to state. No person is authorized to change, add to, or create any warranty or obligation other than that set forth herein.

Bathtubs

www.briggsindustries.com

Practicality with style

Briggs incorporated the beauty of porcelain with the durability of steel in its line of long-lasting bathtubs. Engineered for watertight, long-term performance, these porcelain-enameled steel baths have a smooth finish that is easy to clean, glows with a pearl-like luster and resists chipping and cracking. Since the baths are designed to fill a standard space, both plumbers and DIYers enjoy the convenience of a quick and easy installation.

 BRIGGS®

UltraCAST™

There's new choice for premium bathtubs: UltraCAST™ from Briggs. Our UltraCAST™ line of premium bathtubs combines the best features of cast iron and steel without sacrificing strength, durability, selection or beauty.

UltraCAST™ is a composition material of porcelain enamel, fired at 1500°F onto formed steel and reinforced with a high performance rigid polymer compound. UltraCAST™ is the value alternative because it's stronger, lighter, tougher, warmer, cleaner and quieter than manufacturers.

- Porcelain Surface Fused to Special Alloy Steel**
Highest gloss enamel in the industry
- Heavy Formed Steel**
Thickest steel in the industry
- High Performance Rigid Polymer Compound**
Performs better than cast iron at a fraction of the weight
- Elastomeric Top Coat**
Appealing aesthetics and added performance
- Thick Composite**
Provides excellent heat retention and sound deadening
- Solid Panel Cavity and Superior Structural Design**
For strength and integrity

Briggs Industries, Inc., is a global producer of quality plumbing fixtures, with manufacturing facilities throughout the Americas.

For 100 years, Briggs® has developed innovative, quality products, such as vitreous china toilets, bidets and lavatories, as well as porcelain-enameled steel lavatories, bathtubs and kitchen sinks. In addition, Briggs markets faucets for the shower, tub, lavatory and kitchen under the Sayco® brand.

For more information, visit the Briggs website at www.briggsindustries.com or call (800) 888-4458.
